On a High Note From Your President

WOW! Two years of musical endeavors coming up. Many thanks for your vote of confidence in not only me but also the board. We want very much to make great strides for our scholarship and awards programs. I am counting on your support, and your willingness to participate. Thanks in advance for saying yes when I call you to be part of the team.

Many thanks to all of the Lake District members for making a successful state convention at the Rosen Plaza in Orlando. President Bonnie Hinely can be proud of a fine convention. Asking NFMC Vice Chairman Lana Bailey, accompanied by her husband Zuill, to be the National guest of honor was a plus. She gave a little history of our NFMC founder, Rose Fay Thomas. Mrs. Bailey stated that "we all can be founders for others". She also wanted us to remember that music is communication.

Accompanied by my husband, Bill, we attended the Southeastern Regional meeting at Brevard Music Center, July 8- 9, in Brevard, North Carolina. There are thirteen states in the region. We were the only members from Florida. That is most unusual as Florida is usually well represented. I guess we better "communicate" here to advertise what a great summer music program is offered at Brevard. Scholarships are the reason many students can attend. More info to follow.

Looking forward to the Fall Session hosted by Royal Poinciana District at The Westin in Fort Lauderdale.

*My very best,
Connie*

There will be a preliminary round of a four minute audition per entrant. The entrant will choose which portions of the concerto the entrant will perform. At the close of the preliminary round the judges will choose up to five entrants to compete in the final auditions. The results of the preliminary round will be posted up to one hour before the final audition. Entrants will perform the complete movement of the final concerto in the final audition. The winners and honorable mentions will be determined by the finals audition. The time and place of the final audition will be published in the Junior Convention schedule.
- That the procedures for the FFMC Junior Convention be changed by inserting—Scholarship Award Winners—In events that have more than one scholarship award, the highest class will be invited to perform.

- Recommend we award a \$1,000 honorarium to "the computer guy" for his dedicated work.
- Recommend that \$200.00 be added to All Junior Convention Scholarship Awards for 2006. Funds will come from the 2005 Junior Convention surplus.

National Biennial Convention

The National Biennial Convention was held June 20-27, 2005, in Austin, Texas. Florida was represented by Helen Dingus, Doyle Dingus, Michael Edwards, Suzanne Carpenter, Gretchen E. VanRoy, Rose Suggs, Marilyn Wolstenholme, Jerry Najarian, Betty Najarian, William Lill, and Connie Tuttle-Lill.

Helen Dingus surprised her husband, Doyle, at the Rose Fay Thomas Luncheon as he became a Rose Fay Thomas Fellow. He will wear that medallion proudly.

The next national meeting will be August 1-6 at the Sofitel Hotel in Minneapolis, Minnesota.

In 2007, the Biennial Convention will be held in June in Salt Lake City, Utah, followed by the Fall Session, August 2008, in Denver Colorado.

Looking ahead to June 2009 with our FFMC hosting. Won't we be proud of our state!

A Note to All

At the end of each FFMC President's term of office, it is customary to ask for monetary donations for a gift which is presented at the May convention.

Because of an oversight, we are now asking for donations from clubs and individuals. Checks should be made payable to FFMC earmarked Bonnie Hinely-President's gift. You will note in Bonnie's thank you letter of the gifts she received.

*"To: FFMC and Connie Tuttle-Lill,
President*

*Thank you so much for the beautiful Waterford crystal box with the inscription on the lid—a treasure and forever keepsake. May I also express my appreciation for the beautiful insignia. I shall wear it **proudly**. Again may I wish you well.*

Sincerely,
Bonnie Hinely"

The Sixty-Eighth Annual Junior Convention was held May 6-7, 2005 at the University of North Florida. Fourteen Hundred and Eighty Juniors were registered in over 3,100 events. One hundred and ninety seven teachers were represented at this Jr. Convention. A big thank you to The Executive Director of UNF Fine Arts Center, Sharon Papion and her staff for helping to make this Junior Convention a first class event. A big thank you to Suzanne Carpenter and Kenny and Shirley Clark who worked tirelessly helping to organize this Convention, Vickie Stake and Jennifer Bent for securing judges, Gavin Taylor and Lisa Smith for securing monitors, Catherine Gavin our Strings Division Chairman, and Helen B. Neidung our Voice Chairman. Connie Tuttle-Lill represented Bonnie Hinely, our President, who was recovering from an illness. Connie did an outstanding job representing Bonnie and FFMC.

The Sixty-Ninth Annual Junior Convention will be held May 5-6, 2006 at the University of North Florida. Recommendations for the 2007 Junior Convention facilities are being accepted for consideration. The facility must include an auditorium that will seat 1000 minimum and 12 auditions rooms. These audition rooms should include at least three band-choral rooms to accommodate large numbers. This facility must have access to piano companies to meet the needs of the event. The host district must organize a committee to secure judges, monitors and work with the host facility.

Please read the recommendations that were approved at the FFMC Spring Session. Several of these recommendations will affect the 2006 Junior Convention. An updated Junior Convention Procedures Manual can be located online at ffmc-music.org.

On a sad note -

Our Oldest Member of Florida Federation of Music Clubs, Inc., Ruth Deluca, who taught music for 81 years, died in Sarasota just two months before her 100th birthday. Ruth was born in Emporia, Kansas and studied piano, violin, and viola. She received her B.S. Degree from Kansas State Teachers College, and opened her music studio in Sarasota in 1937. She continued teaching until she retired in 2001. Ruth became a member of the FFMC in the early forties.

I studied piano with her for 9 years. I can remember taking the bus with her and her daughter to Miami to attend the Jr. Federation Convention. The festival was very important to her and her students. After I became a piano teacher, Ruth and I worked on many projects, promoting music, and the Festival in Sarasota.

Ten years ago, our local newspaper did a lovely tribute to her. It closed with "Mrs. Deluca symbolizes the music teacher whose students come first by all standards".
