High Notes from the President

Greetings to all of you. I hope you have had a great summer. It is hard to believe it has been just a few short months since our May Convention. This has been a difficult summer for us personally. My husband Dave suffered congestive heart failure the week after convention. He is now wearing a portable defibrillator that monitors his heartbeat. He is doing well thanks to the many prayers and excellent doctors. We are hoping he will be able to continue with his “normal” routine by the end of September.

I would like to personally thank Lake District for the outstanding job they did in hosting the Spring Convention. It was a pleasure having Carolyn Nelson, NFMC President, there to share her words of wisdom. Everyone who attended had positive words about the experience. Thank you!

We had excellent representation at the National Conference held in Indianapolis. Michael Edwards, Suzanne Carpenter, Barbara Kirby, Lisa Smith, Dr. Liana Valente, Claire-Frances Whitehurst and Peggy Willis all came back with information and experiences that will benefit our state. Thank you, Liana, for substituting for me at the State President’s meetings.

Thank you to all the district presidents, club presidents, division and committee chairs for a job well done this past year. I have great faith we will have another great year this year!

This issue is devoted to giving you information for your yearbooks. You have a list of all the district and club presidents and treasurers. A calendar for this year is also included. The Divisions and committees also are featured. Please use this as a reference to help update your directory. Please note that there are a few changes in committees and club officers.

Ann Stockton, FFMC President 2011-2013

Impressions from a “First Timer” at the NFMC 2012 Fall Session
Indianapolis, IN June 19-23, 2012
Lisa Smith, NFMC Fall Session 2012 First Timer

An elevator embellished with walls of mirrors carried me and my fellow travelers to the depths of the Sheraton Indianapolis City Centre Hotel on the morning of June 19th. As the doors opened, a panorama of exquisite beauty greeted my eyes. The ceiling above me was adorned with a majestic crystal chandelier from which thousands of brilliant white lights illuminated mahogany-colored wood paneled walls. The lovely surroundings set the tone for an awe-inspiring week.

I was immediately greeted warmly by the hosts at the registration table, who made me feel welcome as a “newbie” to the group. I was informed that one of the new events NFMC President Carolyn Nelson had birthed this year was a “First-Timers” social gathering accompanied by a reception. The reception was an opportunity for the first timers to be introduced to the veterans. Twenty-five newbies were fed a wide assortment of delicious cookies and punch at the summit of the hotel.

There were numerous informative presentations given throughout the week; topics such as music for the blind, music therapy, why organizations should preserve their records, fretted instruments, the music of Gershwin, and the vision of NFMC for the future were explored. Additionally, there were many programs featuring talented young musicians from all over the country in areas such as dance, viola, piano, and chamber music. The American Festival Choir gave a world premiere of “And All Who Listen”, a four part choir piece written by Carrie Kraft based on a poem by Agnes Bishop Jardine, the 13th president of NFMC. One of the highlights of the fall session was the tour of the new NFMC headquarters building located in Greenwood, IN. This modern building is now the main hub of communication for NFMC and houses a recital hall as well as the national archives.

The 2013 NFMC Biennial Convention will be at the Hyatt Regency in Greenville, SC, June 25-29, 2013. I will no longer be classified as a first timer, but I would like to encourage each FFMC member to consider carrying the torch of being a first timer at next year’s convention. I assure you that, whatever your imagination has invented concerning NFMC, nothing can prepare you for the amazing experience of attending our parent organization’s Biennial Convention.

In addition to early morning walking tours of the historical monuments, we were able to take a bus tour to the new, NFMC headquarters building.

**2012 Member of the Year**
*Annetta Graham, Chairman*

Florida Federation of Music Clubs started Member of the Year in 1972. Honorees are chosen by a vote of all District Presidents from nominees sent in by the clubs. This year, **PHILIP LeGRAND** was chosen to receive this award. Philip indeed deserves this award for his time, expertise and know how. His list of accomplishments for the local, district and state music clubs are:

1. Capital District and Choctaw Bay Music Club’s treasurer for 13 years.
2. Editor/Distributor of Choctaw Bay Music Club Newsletter for 10 years.
3. The Opera Brunch (Major Fundraiser Event for Scholarship Fund) for 10 years. These duties included printing tickets, posters, letters to donors, the program and organizing the raffle. They raised an average of $3000 over the last few years. This year they were proud to raise $4350.
4. FFMC Recording Secretary since 2002 with one term off.
5. Bylaws Committee-One term as member, but is now Chairman.
6. FFMC Festival Cup Chairman for 4 years. Started process of maintaining records on a computer spreadsheet.
7. Accountant/Secretary for his wife's piano studio Philip has done all of this while maintaining a full-time job as a project manager for a large engineering consulting firm. No words can express how much we appreciate your dedication to the FFMC. THANK YOU!!

**New Florida Fellows Recognized**
*Bess Stallings, Chairman*

Those unable to attend the May convention in Orlando missed a most meaningful and moving FLORIDA FELLOWS induction ceremony. All three inductees, members who have made a vital contribution to FFMC through their leadership and support, were honored.

1--**ALICE B. MARTINEZ** was recognized posthumously by her son, Michael Martinez and daughter-in-law, Wanda Louie.

2--Dr. and Mrs. Haywood Smith Jr. honored their daughter, **LISA CATHERINE SMITH**, making her Florida Fellow #40. She is a very active contributing member of FFMC, especially with the Juniors.

3--**CLAUDETTE KEMEN**, a faithful member for many years, was facing life-threatening health issues, yet found solace, support and comfort in the outpouring of love, prayers and concern of her local, district and state...
FFMC friends. Her contribution is her way to giving back to an organization whose members mean so much to her.

Remember, this one-time contribution of $1,000 to the FFMC Operating Endowment Fund is tax-deductible. It may be given in honor of, in memory of, or as in Claudette’s case, a member’s way of “giving back.” Note that all three examples were represented this year!

As for the coming year, I unapologetically continue to invite others to join this unique group of philanthropists. It has been a blessing and honor to serve as chairman. I look forward to hearing from you!

Archivist Report
Lisa Smith, FFMC Archivist

I was excited to attend a very informative workshop at the National Federation of Music Clubs Fall Convention in Indianapolis headed by the National Archives Chairman, Dr. George Keck. Additionally, I was able to make contact with Ashley Geer, a Ph.D. candidate from FSU, who has decided to base her dissertation on the collection of NFMC documents in Greenwood, IN. She is currently sorting and cataloguing national archival materials and is very interested in collecting information from Florida to add to the national archives. We are hoping to rendezvous in White Springs later this year to assess the information stored in our archives.

I have begun the process of digitizing FFMC archival materials. Unfortunately, some documents dating from the mid-1980’s have already started to succumb to the effects of acid hydrolysis. It is crucial that all districts and senior clubs make archiving a priority and appoint an archivist to ensure preservation of precious and irreplaceable documents before they are lost forever.

Examples of archival materials, which should be collected and sent to this chairperson, include, but are not limited to new policies, procedures, implementation of policies, copies of emails regarding official correspondences, yearbooks, programs, and minutes. If in doubt about whether or not to keep a document, do not throw it away. Sometimes even items, which seem irrelevant currently, can become valuable in twenty-five years. Additionally, try to find historical societies that are agreeable to storing your district and/or clubs’ archives instead of relying on the uncertain protection provided by private homes. When organizing or cataloguing your materials, remember to keep original documents in your local archives and send copies of pertinent documents to FFMC. If possible, please try to send your copies to me in digital format instead of hard copy.

Jeanie/Stephen Foster Auditions
Ann Stockton, Chairman

We are already at work in preparing for the 62nd Jeanie/Stephen Foster Auditions to be held on October 5-6. Talented young vocalists will be competing for a $2000 award and titles of Jeanie and Stephen. The two Jeanie Maids and the Stephen Runner-up will be receiving their prizes of $1000 each. This Audition is a unique event that is held annually at the Stephen Foster State Folk Culture Center in White Springs, FL. FFMC co-sponsors this event with the Stephen Foster State Folk Culture Center and is open to promising young vocalists capable of giving a creditable concert performance.

The contestants arrive on Friday afternoon to rehearse in the beautiful Stephen Foster Museum. That evening they are introduced to the audience wearing their 1850s ball gowns and cutaway tuxedos. A big highlight of the evening is a concert by the reigning Jeanie and Stephen.
followed by a reception sponsored by the FFMC. We are looking forward to hearing Fausto Miro and Cait Frizzell this year as they perform for us. Saturday morning the auditions are held with the ceremonies ending with the announcement of the winners in the afternoon. What a beautiful way to spend a weekend!

We need your help in finding and sponsoring vocalists. Check with your area colleges for candidates. Applications must be received by September 10th. If you have difficulty finding a candidate, I will be glad to match you up with a young person who has expressed an interest in the competition but does not have a sponsor. A large block of rooms has been reserved for the auditions at a special rate of $50.00 a night at the Lake City Days Inn. Please contact them for a room at this rate as soon as possible. Telephone: (386) 758-4224. Make sure you mention the auditions to get these special rates.

Donations from clubs and individuals are gratefully accepted to help with the expenses. A donor list is included each year in the printed Stephen Foster / Jeanie Program Book with these categories:

- **CAMPTOWN RACES** ...... Under $100
- **BEAUTIFUL DREAMER** .... $100 - $199
- **OH! SUSANNA** .............. $200 or more

Please send donations to Suzanne Carpenter, FFMC Treasurer, earmarked for the Stephen Foster/ Jeanie Auditions. **ALL MONIES ARE TAX DEDUCTIBLE.**

Information regarding qualifying rules, schedules, instructions and applications can be downloaded from the FFMC website: ffmc-music.org., or by calling Ann Stockton, Chairman at 863-701-2813 or e-mail: Redtops61@verizon.net. Thank all of you and the wonderful Stephen Foster Memorial Committee for your help and interest in making this a success. Let us all work to raise up these student singers to be more than they could be!

### 2012 FFMC Music Study Grants Given to District Presidents

*Rob Coopman, FFMC Finance Chairman*

How can your club be more visible in your community? FFMC has designated a grant of $1000 be given to each district president to award a club within her district. This grant is to be used by the clubs as an incentive in reaching out to other non-profit groups in your area to produce a series of music study classes for the public. We are asking interested clubs within each district to notify your district president of your intention to apply. The district president will choose one of the applications from her area that best fits the requirements as outlined below. She will then turn the information over to the state treasurer who will determine whether it qualifies. If it does, that club will receive a check for $1000.

The finance committee recommends that the interested club presidents team up with other non-profit groups such as the local Friends of the Library and formulate a music study series of ten to twenty classes. Successful class series have been held for both classical and jazz music. Recommended honorariums paid to area music professors or qualified music students would be $60-$100 per class. Classes should be scheduled for 1.5 - 2 hours. They should be well designed prior to the beginning of the series. Audio equipment for good sound quality should be available. The finance committee suggests that donations be requested but not required at the classes.

Check this article from Music Club of Hollywood on how to conduct a music study class. Please do not hesitate to contact the Music Club of Hollywood president for advice on formulating a class.

### Music Club of Hollywood Grant Information

Rob Coopman wears several hats in the FFMC. He is the Finance Committee Chairman who made the suggestion that $1000 be given to each district president to use as a grant within the district for music outreach. He is also the president of the Music Club of Hollywood that used the music study idea to help his club grow as well as becoming more visible in the community. This endeavor has been quite successful so he wanted other clubs to try this idea. This grant information was explained and approved at the spring convention. For all clubs interested in applying for their district grant, this is the background information on how Rob's club accomplished increasing their membership as well as presenting a music series for the community.

### Music Study Monday (or Thursday)

*Robert J. Coopman, President, Music Club of Hollywood Florida*

Our music club in Hollywood, Florida has made several changes over the past few years in an effort to grow and remain relevant in our community. We have changed our name, our meeting time, created new logos, and tried a number of different approaches to promoting music and music education in our community. Our most successful program has been our music study class series that we have held in our local libraries.

The music study program is free to the public and is consistent with our non-profit purpose of promoting music education in our community. We hold classes in series of five or ten classes, spaced one week apart. Last year we held three series. We started with classes in the mornings, but realized that we needed to change to the evenings to have a greater audience than retirees. We began each class at 6:00 p.m. and finished at 7:30- 7:45p.m. We provided high quality handouts and we had a high quality portable sound system to play music selections. One library has an overhead projector for DVDs.

The measure of our success has shown in our growth of new members. Over the past year, we have grown from a few dozen members to over 90 members. This has been primarily a result of the music appreciation classes. We are planning our 100 member celebration!
Design of Music Study: We have found that we can attract 30-70 attendees with programs in classical music and jazz. We found that giving an instructor an honorarium is the best way of ensuring that the program is professionally presented and provides a consistently high quality experience for the audience. We found that the program should be a balance of half lecture and half music. Finding an instructor is usually no more difficult than checking out the local college staff list or a self declared music enthusiast. We have employed both types with great success.

Creating Awareness

Friends of the Library. We find that co-sponsoring the programs with the local Friends of the Library is the path to success. We began with programs in our homes, but quickly realized that we didn't have enough room.

Website and Email List. We found that gathering email addresses and contact information was very important so that we could announce every program in advance via email. We keep an updated website that announces the next series and a “contact us” page on our website so we can efficiently add folks to our email mailing list.

Since you asked…. A few additional points for the organizers of music studies. Ask for comments and listen closely to what your audience members have to say and make positive changes quickly. Advertise, Advertise, Advertise and don't imagine that a small turnout is a reflection of the program quality. It may be simply a one-time conflict of other community events, the weather (good or bad) or something completely beyond the control of the organizers. Consistency is very important. I many times hear the comment “What am I going to do on Monday nights until the next series begins?” That is music to my ears.

If you are in doubt as to whether you can organize a music study, please don’t hesitate to call me to discuss it, Rob Coopman, at 678-516-0500 or email me at robertcoopman@me.com.

DISTRICT NEWS

BAY RIDGE DISTRICT
Annetta Graham, District President

Bay Ridge District has been active in Federation activities including Junior Festivals and Jeanie/Stephen Foster Auditions. We have members within the district who are members of the Jeanie Committee and work to make it a success. We are proud of the fact that this past year we had several winners of the auditions from our district: Fausto Miro-Stephen, and Jeanie Maids-Camille Tedesco and Siobhan Gale.

Lake Wales Music Club will be celebrating its 92nd birthday this year. We are pleased to announce that out of many entries in the SE Region for the Professor Rudolph R.A. Schramm Parade of American Music Award, we were judged third-place winner in the nation for this prestigious monetary award. Wilma Greenwood is president of this club.

Tuesday Music Club of Lakeland is also celebrating its 92nd birthday this year. We are sprucing up our clubhouse to prepare for this coming year. This year we are collaborating with area churches to present a study on hymns of different denominations. We are hoping this will help us be more visible in the community. Judy McLaurin was installed as new president in May.

Wauchula Wednesday Musicale is working on continuing its growth spurt. It is their desire to involve more of the community in the music world. Dot Bell is president.

Friday Morning Musicale of Tampa plans to continue with its involvement with the Junior Division. Events are being planned to help with music scholarships offered by the club as well as the Jeanie/Stephen Foster Auditions. Cecilia Laude is the president of the club.

We are looking forward to reaching out to the community with the district president’s grant and scholarships offered by FFMC this year. Our annual meeting will be held in Tampa on Dec. 7th.

CAPITAL DISTRICT
Sharon Jeffrey, District President

Choctaw Bay Music Club
Roy Hoobler, President

Our district held its annual meeting immediately following the Jeanie/Stephen Foster Auditions. This year’s meeting will be held on Oct. 7. We have only one club in our district, Choctaw Bay Music Club, made up mostly of teachers. This group has had several programs including an Afternoon of Strings Concert, Student Showcase and an Opera Brunch, which raised over $4000 for scholarships.

We are proud that our own Philip LeGrand has been selected as FFMC Member of the Year! Philip and Karen constantly work promoting and supporting our club and are very good examples for us all to emulate. We are looking forward to continuing these activities this coming year.

LAKE DISTRICT
Sherry Pollock, District President

Our district is made up of four senior clubs. We now have four festival areas having added a new one, the Lake-Altamonte Area, at our Spring Convention. Our district was proud to host the Spring Convention at the Rosen Plaza. A thank you goes out to all those who helped make it a success. This includes the entertainers, Nancy Christy as registrar, Kathy Rodgers as Distribution Chair, Lisa Moore who compiled the Junior Division packet, those who operated the registration desk, those responsible for the decorations and the workshop leaders, Lisa Smith, Rob Coopman and the honored guest, NFMC President Carolyn Nelson. Our district meeting will be held on Nov. 3.

There are seven senior clubs in the Royal Poinciana District - Federation Music Club of the Palm Beaches, Boca Delray Music Society, Morning Muscicale of Fort Lauderdale, Inc., Music Club of Hollywood, Miami Music Club, Coral Gables Music Club, and South Miami Music Club.

This has been a successful year for us. The Coral Gables Music Club hosted our 82nd District Meeting All seven clubs have been carrying out the objectives of NFMC by doing several of the following activities: awarding scholarships, inviting students to perform for their functions, cooperating with libraries to provide music study groups, cooperating with corporations, local businesses, and local clubs by providing musical programs.

The Coral Gables Club collaborated with a local church presenting music, fashions, and brunch to celebrate “Parade of American Music” with Old Time Hits, 30s, 40s 50s and Magnificent Classics. It was also a fundraiser to send a contestant to the Jeanie/Stephen Auditions. The Coral Gables Jr. Music Club presented a Parade of American Music Marathon featuring 18 musicians that was filmed by a local TV station. This was partnered by the City of Coral Gables and the CG Garden Club. Margaret Šeroppian is the new president of this club.

Morning Muscicale of Ft. Lauderdale brought Matthew Allen, cellist, and winner of the 2011 NFMC Young Artist Award to perform as well as inviting honored guest Carolyn Nelson, NFMC President. They have also collaborated with Music Club of Hollywood in presenting programs such as one they had in April that featured some of the winners of the 2012 FFMC Junior State Convention. Look for more information in this issue about a successful program initiated by this club.

Marty Marshall, president of the Federation Music Club of the Palm Beaches is past chair of the Junior Composers Contest. We have many other RPD Members with FFMC and/or NFMC positions. This club will host the RP District Meeting on Oct. 2nd.

Dr. Jay B. Hess, president of The Miami Music Club shared the news that they had awarded scholarships to five students totaling $3,800. They received a bequest of $40,000 this year, which they are adding to the Student Assistant fund. They anticipate adding new board members and new members to the club this coming year.

The South Miami Music Club has delicious luncheons at its meetings, gives many scholarships, publishes a very nice yearbook, and presents students for its programs. The members have worked hard to furnish scholarships to thirteen high school scholarship students and one college student. The club will be celebrating their 58th year this season. Elizabeth Brand is president.

Bill Lill, President of Boca Delray Music Society found success in extending its season with June and July luncheons and programs. It received money from the Ziegfeld Girls of Florida Inc. and another benefactor to fund candidates each year to represent the BDMS at the voice competition in White Springs, FL.

Royal Poinciana District will be hosting the FFMC 94th Annual Spring Convention in May 2013. South Florida is a beautiful place to hold a convention!!! If you haven’t visited our area recently, you will want to come next May. We have beautiful beaches, restaurants, casinos and places of interest besides the interesting and informative programs of the convention. Plan to stay an extra few days to see more of your state!!! Please plan to attend!!! More information will follow!!

Boca Delray Music Society
William Lil, President

This past year Boca Delray Music Society tried something new by extending the season with a June and a July Luncheon and program. We thought that maybe the locals would enjoy an event or two at a slow time. It worked. At these luncheons, we promoted the Delray Beach Summer Children’s Theatre and the South Florida Symphony.

We were pleased to sponsor three Jeanie and Stephen candidates who were Cait Frizzell (Jeanie 2012) and Christopher Longo (Stephen Runner - up two years in a row) and Alexandra Salas. We received monies from the Ziegfeld Girls of Florida Inc. Some of that money ($10,000) was given to FFMC to be used to permanently fund (interest only) the annual Stephen second-place winner at the Jeanie/Stephen Auditions. Another benefactor gave us money to fund candidates each year to represent the BDMS at the voice competitions in White Springs, FL.

This coming year we will continue to promote quality music programs and present opportunities to promising young musicians to perfect their craft.

Morning Muscicale of Ft. Lauderdale
Betty Gant, President

Morning Muscicale of Ft. Lauderdale had some challenges this past year as it tried to change both club-meeting days along with several by-law changes. It is our hope that these changes will give us more flexibility and more opportunities to feature our young people in performance. Since our membership of 85 members includes many teachers who are unable to attend our meetings, our hope has been to encourage them to attend and to attract a Sunday audience.

We have featured students from our many music clubs, showcasing string, piano and vocal solos as well as duets and string ensembles. We hope to feature classical guitar, classical ballet and wind ensembles this coming year. International concert pianist Julian Toha was amazing as he presented a multi-media approach to enjoying his music. We also sponsored cellist Matthew Allen, 2011 NFMC Young Artist Winner, in a concert held in a local church.

We were pleased to sponsor Andrew Hiers for the Jeanie/Stephen Foster Auditions this past year and hope to sponsor a candidate again this year. We are looking forward to a successful season this coming year.

Song: You Raise Me Up
St. John's District is made up of only one senior club, Harmony Music Club. We have separate officers and finances, but essentially we function as one unit. We have 85 teachers and a few music lovers who comprise our membership. Our meetings revolve mainly around festival preparation and training for new members with some time for fellowship with fellow teachers. Our club has sponsored a Strings Master Class, Fiddle Fest, Community Service Recital, Salute for Strings and a National Music Week Recital. We work hard to prepare for the Junior Convention held at UNF. We are preparing for it at this time. Our Annual Meeting will be held during our luncheon on Dec. 5.

**SUWANNEE DISTRICT**
Claudia Brill, District President

**Foundation for the Promotion of Music**
Cheryl Poe, President

We have just celebrated our 40th year of the Foundation for the Promotion of Music and our seventh year as the senior club in the Suwanee District of the Florida Federation of Music Clubs. We have increased our membership this year and currently have 85 members.

We sponsor recitals that are free and open to the public, with a reception following. We hosted two Stellar Student Recitals at the Thomas Center; a Stellar Winds Recital at the Unitarian Universalist Church; and featured winners of the Betsy Schnell and Sarah Baird Fouse Composers, and Essay contest. This past year our district gave over $10,000 in camp and senior scholarships to our Juniors. Our three Junior Festivals had over 700 entries. A special thank you to John Fischer, our treasurer, who took care of ALL the financial responsibilities of the district.

I was pleased to attend FFMC State Convention with Gretchen Mason. We learned so much and had a great time. Thank you, Lake District for making everything so perfect. FFMC is a great organization!!! Thank you to ALL the state leaders who give so much of their time and talents to making FFMC what it is.

Our presidents remain the same. Our Junior Clubs will again be involved in the Junior Festivals, Junior Composers, and Essay contest.

**Gulf Coast Music Club**
Betsy Engels, President

The Gulf Coast Music Club has 43 members. We meet regularly with the Sarasota Music Teachers Association. Our club will continue to support the FFMC Junior Essay Contest and the Composition Contest. We will also send some of the juniors to Junior Convention. This past year we gave two scholarships for summer camp. Our festival had 597 entries in 13 events.

**American Music Division**
Patricia Clarke, Chairman

**Make It Fun!**
We are urging each club president to inspire your members to get excited about these areas, which are part of the American Music Division:

**Parade of American Music** is held in the month of November. This is a time to have fun with some of our patriotic songs such as “Yankee Doodle Dandy, This Land Is Your Land,” and so many more. Expand the use of American music to the other months of the year. You can use the Together We Sing books that are full of songs of our heritage as singalongs monthly. Make it fun for everyone. The state chair of this committee will ask for the governor's proclamation and will make copies of it for those that request it for their reports.
American Women Composers: Our local club has several women composers as well as some of our scholarship winners who are composing. These are excellent prospects for a program devoted to American women composers. I bet there are some in your club. Show them off and make it fun! Make it a program for your club.

Folk Music: It is the sound of America. Feature music such as guitars in a monthly musicale. Make it fun for everyone!

These are a few ways you can use American music in your programs this year. We are asking you to download the reporting forms from the nfmc-music.org website. It is not difficult to document your activities with a printed program and pictures. Send them to the FFMC area chairs listed before the due dates so they will have time to send them to the regional Chairmen. The FFMC chairs will let me know what they have received so I will know for my reports. The FFMC chairs are Parade of American Music- Annetta Graham, American Women Composers- Dr. Liana Valente and Folk Music- Annetta Graham.

National Winner Announced

We are pleased to announce that out of many entries in the SE Region for the Professor Rudolph R.A. Schramm Parade of American Music Award, four winners were selected to go to National for judging and the Lake Wales Music Club was judged third-place winner in the nation for this prestigious monetary award. We are so proud of you!!!

Parade of American Music
Annetta Graham, Chairman

The month of November has been designated by the National Federation of Music Clubs as Parade of American Music Month. We are encouraging clubs to feature a program of American Music at that time. You can upload the form by going to the nfmc website; go to Publications link and to the American Music Division link. There are certain requirements that are needed with your report such as the NFMC logo and the following words: "The National Federation of Music Clubs observes American Music month annually in November through the Parade of American Music." I will be pleased to get a copy of the governor’s proclamation to those that request it.

FFMC Arts Division
Dr. Liana Valente, chair

Another year of music making and music advocacy has begun on the heels of an exceptional year for both the Florida Federation and the National Federation of Music Clubs. The June National Conference held in Indianapolis was a wonderful time of concerts, workshops, presentations, and meetings. We heard all about the great work accomplished by Junior and Senior clubs to promote American music and support professional and aspiring musicians, dancers, and writers.

As our clubs begin to plan for the 2012 – 2013 season, I encourage you to find methods of fulfilling the needs of your communities and the mission of the NFMC. The Arts Division is one of the strongest and most inclusive divisions of the Federation and includes; Crusades for Strings, Chamber Music, Choral Music, International Music, Sacred Music, and Music in Poetry, Together We Sing, National Music Week, and the Opera Department. The NMW Essay Contest is part of the Arts Division; this competition, open to students in grades 7 through 12, awards $50 to each state winner. A national winner will be chosen from all of the state winners. This winner will receive an additional monetary award and certificate. Please share information about this competition with your local schools. There are also many opportunities for club recognition within the Arts Division from certificates to monetary awards.

As you prepare your season of programs, I encourage you to choose at least one project from the Arts Division and pursue programs to support that project, appoint a chairperson who will collect all pertinent documentation, and submit your reports so that others may learn of your work. With regard to reporting, many of the division reports are to be sent to your state chairman. For your convenience, chairmen are listed at the end of this article. For those club reports that are to be sent directly to regional chairmen, please be sure to send me a copy of your report as well. This will allow me to stay better informed of your great work throughout the year. State chairmen are also asked to send me copies of reports before sending them to regional or national chairmen; per our discussion at the FFMC conference, better communication between all of us is key to continuing our great work throughout the state.

I wish you much success in the coming season! As always, if I can be of assistance, please contact me via email at Liana@omegatower.com.

Crusade for Strings
Lisa Moore, Chairman

The NFMC would like to hear what your club is doing to support string programs. Do you offer music scholarships to string performers? Maybe your members patronize or participate in your local orchestras. This season we encourage you to appoint a Crusade for Strings Chair to help organize and publicize events; consider sponsoring a string ensemble or a local music strings camp, invite a guest artist to perform at a club meeting, and document your activities. Senior clubs may
report with form AR 3-1 and Junior clubs may report with AR 3-2; download these and other resources from the National website; Publications (Arts Division). Help support the arts and keep those strings singing! I look forward to hearing your end-of-year reports.

Together We Sing
Claudette Kemen, Chairman

As your new chairman for “Together We Sing”, I would like to encourage you to use this book composed of a variety of American music in your clubs next year. This book is made up of songs of our heritage that connect us with our historical and cultural roots. Singing is good for us physically and mentally. This will give you options and a way to introduce different music into your club. These books can be ordered from the nfmc website for only $1.25 each. I hope that the upcoming year will be filled with the music you love and a blessing to all that participate in your programs.

Sacred Music
Bess Stallings, Chairman

It was with great pleasure and excitement that I volunteered during the recent convention in Orlando to chair the Sacred Music Division of FFMC. Being raised in a church, sacred music touches my heart, and it is a wonderful expression of praise and worship. I want to encourage our clubs to use sacred music during meetings/programs, invite sacred choral groups to perform, give workshops or offer a scholarship for the study of sacred music.

Remember to keep good records, notes, pictures, and copies of programs, always mentioning NFMC affiliation. Awards are available for members who have been church musicians for over 50 years, as well as to clubs with outstanding sacred music activities. I will get the club report forms to you, and am looking forward to reading them. Let me know if there is any way I can help you in this area.

JUNIOR DIVISION NEWS
2012 Junior Convention
Vickie Ball Stake, Junior Division Chair

Our 75th Annual Junior Convention once again provided musical opportunities for students of all ages and levels through high school seniors. UNF again hosted this annual event on May 4-5. UNF’s Fine Arts Department provided wonderful facilities with plenty of large room venues. We are indebted to their wonderful staff that is always committed to our event’s success.

This event was successful because of the work of many. A special thank you goes to the teachers and parents from St. Johns District under the leadership of Gavin Taylor and Lisa Smith who labor effectively year after year. Ludi Mocke and Mary Lou Krosnick, along with our District President Debra Carter, created wonderful food for our workers and judges. Junior officers worked tirelessly, sometimes running to their own events with much already on their minds.

Can you imagine trying to get enough pianos to cover all of the events for this convention? We were blessed to have instruments from Kelly’s Piano owned by Bob Kelly, Keyboard Connection owned by Jack Melvin and Parsley’s Pianos owned by James Parsley. These men charged NO RENT for all these days. We are indeed grateful for their sacrifice. Thanks to Sonya Hilton Prescott for overseeing the last minute arrival and placement of pianos. UNF also provided many wonderful pianos. Jason Hilton kept the pianos in great shape.

Kenny Clark and Suzanne Carpenter worked tirelessly in organizing and scheduling this major event and Michael Edwards, our Junior Convention guru, once again worked diligently by checking all the entries and overseeing many other areas of Junior Convention. Suzanne and I, along with help from Michael, spent many hours trying to have appropriate judges in all the areas of competition. THANKS to our judges who worked long, hard hours to honor students so very appropriately.

Our State Gold Cup chair, Lisa Moore, worked to make sure 60, 75 and 90-point cup students were honored for all their years of work. Our inspiring State President, Ann Stockton, along with her husband Dave, gave us such inspiration while working very diligently to ensure success of this huge event. Ann’s smile cannot help but excite anyone who comes in contact with her. Thanks, president! Mark your calendar now for our 76th JUNIOR CONVENTION 2013. Students and teachers, work
diligently to be ready for another rewarding convention at UNF, Jacksonville, on May 3 and 4, 2013. Keep those metronomes and piano keys ticking ... playing ... ticking ... playing ...

2012 -2013 Junior Officers
Kudos for a job well done by the 2011-2012 junior officers. They worked tirelessly and were on top of situations that presented themselves at convention. Good work!!

Congratulations to the following juniors who were elected by their peers for the following offices:
Erial Zheng - President; Calvin Chern - Vice President; Michelle Minna - Secretary; Amanda Gramacy - Treasurer and Jennifer Lee - Parliamentarian.

Looking forward to working with you!

Junior Festivals Information
FFMC Festivals Chair, Lisa Smith

Congratulations to all area festival chairmen, committee members, and juniors for a successful 2011-2012 year! This year, Florida had the most participants in the junior festivals program in the United States, boasting 9,700 entrants representing 425 junior clubs. I would also like to thank the area festival chairs who contributed and actively participated in the Festivals Workshop held in Orlando May 18th. It is amazing to see how diverse our area festivals are throughout the state yet unified in the purpose of promoting excellence in the performance and study of music. I am excited to announce the creation of a new festival area in Lake District called Lake-Altamonte. I am also pleased to welcome Judith Gerlach, the new composition chairman, to the junior division.

Please note the following rule clarifications, reminders, and adjustments regarding FFMC Festivals for 2012-2013.

- Festival income must only be used for festival expenses. Festival expenses might include but are not limited to: judges, location, pianos, tuning, printing, and food.

All area festival chairman, committee members, and district treasurers must submit Conflict of Interest forms to me by September 30, 2012 or within 30 days of personnel replacement. I will be sending these forms via email. We need to accomplish this so we will be in compliance with the requirements of our CPA and the National Non-Profit Association. These forms will be required from all festival areas annually.

- The deadline for all area festival chair reports JR 3-3 and JR 3-4 will officially be March 30th as per FFMC Standing Rules.
- In 2013 all State Junior Convention awards will be temporarily increased by $400.
- All transfer forms JR 3-1 need to be completed and submitted to me no later than December 1st.
- Juniors entered in the piano hymn playing event can remain in classes I-V for two years as long as they perform different literature. Choice pieces CANNOT be on the required list.

I look forward to working with everyone again this upcoming year. Thank you all for your dedication and commitment to making sure music raises Florida up!

The time is now to start thinking about the 2012 FFMC Junior Composer’s Contest. This is an exciting year as a new budget has been approved, and there is to be $300 divided amongst the winners. It is a pleasure to announce that NFMC has approved additional point increases, as well.

FFMC encourages Junior members to develop their talents in composition. Encourage your students to make up songs and enjoy the benefits of seeing their music on paper. Entrants do not need to be studying composition. Any member of a Junior Club or any individual Junior member of FFMC is eligible. Compositions may be for keyboard, voice, other instruments or any combination. Please refer to the FFMC web site for up to date information.

Congratulations to the 2012 winner Marco Jimenez. Marco is 7 years old and is from St. Petersburg. Mark Sforzini is his teacher.

This is a new year and an exciting year for me as your new Junior Club Chairman. I am looking forward to hearing from you, and seeing the exciting music that your students have composed.

**Great News from NFMC Competitive Events**

**Student Collegiate Awards**  
*Michael Edwards, Chairman*

The Florida Federation of Music Clubs is pleased to announce that Maria Elise Greco has won the 2012 Dorothy Dann Bullock Past National President’s award in Music Therapy. This award carries a cash prize of $1,350. Dorothy Bullock was NFMC President from 1959-1963. Mary Elise is a student at Florida State University.

To quote Maria: “The reason I am pursuing my Masters Degree in Music Therapy is because I want to achieve greater knowledge and expertise for my chosen vocation. I have always been a servant at heart. To use music to serve and help others is utterly amazing and will bring me joy for the rest of my life.” Her career goals include working at a Rehabilitation Center and/or Assisted Living facilities. She is also interested in research to bring to light the effectiveness of music therapy with many populations and to discover new ways music can be used to improve the lives of those around us.

FFMC is also pleased to announce that 16-year-old Gabrielle Chou is the recipient of the Stillman Kelley Southeastern Region Award. Gabrielle is the 2007 Irene Muir Award recipient. She is currently studying at Colburn Academy in Los Angeles. This award carries a cash prize of $200. We have also learned that Gabrielle just received the NMFC Aspen Music School Award for $400 to attend Aspen this summer. Congratulations, Gabrielle!

Christopher Kline, a past winner of the Stephen Foster Auditions and NFMC 2011 Biennial Student/Collegiate Competition in the area of male voice, was awarded a scholarship to attend Opera in the Ozarks this summer. We are so proud of you, Chris!
Thank You to Lake District Convention Hosts!

A special thank you goes to the Lake District for hosting a successful 93rd FFMC Spring Convention held May 19-21 in Orlando at the Rosen Plaza. District President, Sherry Pollock and her team did a wonderful job in preparing an educational and musical experience for all who attended. Words of thanks are extended to those who worked behind the scenes to make this a success. This includes Nancy Christy as Registrar, Kathy Rodgers as Distribution Chair and shuttle service, Lisa Moore for compiling the Jr. Booklet and Josephine Hagan, Kendall Holtz and Gloria Taylor for working the Registration Desk. So many in Lake District stepped in when needed. You are a great district. It was a joy working with you.

We were honored to have as our National Guest NFMC President, Carolyn Nelson, who inspired us with her encouraging words regarding the future of the federation. The workshops led by Lisa Smith and Robert Coopman were well received. The juniors approved a new festival area, Lake-Altamonte. Division and committee chairs were prepared to do their part in informing the membership of their areas. These included Dr. Liana Valente, Robert Coopman, Bess Stallings, and Vickie Stake. The talent from the Lake District was amazing. Thank you Victoria Schultz, David Brill, Joseph Prior, Mia Shoquist, Pauline Zhitsky and Adam Ravin for providing entertaining music breaks. The opportunity to hear Young Artist Winner Matthew Allen was one of the highlights of convention.

Chairman Bess Stallings was pleased to recognize three new Florida Fellows, Alice Martinez, Lisa Smith and, Claudette Kemen. Philip LeGrand was chosen as Member of the Year. Congratulations to all of you!

The strong family bond shared by the attendees again impressed me. It is wonderful being with people who share a common goal and are working together to achieve it. Music can indeed lift us up to be the best we can be!

Mark your calendar now for the 94th FFMC Convention hosted by Royal Poinciana District on May 16--18, 2013. Thank you again to our Lake District!
