NOTES FROM OUR PRESIDENT
Cheryl Poe – ffmc1917@gmail.com
During the past several months all of us in Florida have experienced many challenges musically, personally, and as a collective body of citizens. Destructive hurricanes and flooding caused lose of lives and homes. Tragic, unthinkable murders at the Pulse Nightclub and Stoneman Douglas High School still make my heart ache. During these often frightening times, I sing this simple German folk song: Music Alone Shall Live which gives me hope. Actively participating in music is the life stream of our body and soul. We musicians and music consumers who are in the “seasoned” category of humanity have an important legacy to leave for those young people we teach and support. You the members in FFMC are the guiding compass for each other and for the young people who will come after you. Even though we have experienced many heartaches and challenges we have been able to rise above it all with joy, hope and faith. For me music has been the stabilizer.

Yes! Spring is here and we are actively and joyously living because of music! A hearty congratulations to all the teachers and students who have performed and will perform in upcoming recitals and festivals. We are proud of you and are grateful to you for keeping the music alive and well.

This newsletter contains important information about upcoming events. Be sure to note the dates and make your reservations soon.

STATE NEWS

Federation Cup Chairs and “CROWN AWARDS”
Lisa Moore, Chair
123.lisa.moore@gmail.com
407-788-3791

Festival cup chairs are now able to order the local cup shipments directly online through Crown Awards website. They tally the cups based on individual teacher reports. The collected cup fees are sent to the district treasurer, who in turn submits those funds to Suzanne Carpenter, the state treasurer. Soon after the treasurer’s reports are approved by Lisa Smith, the state Festivals Chair, FFMC can send in payment to NFMC for the cup shipment to follow. This is a more streamlined process than we’ve had in the past. Already, we’ve had several local festival areas handle the bulk orders through Crown Awards with great success.

TEACHERS: Remember to keep a copy of your annual cup report handy for reference. When you register your student for festival, you may be required to declare if the student has points already. And if they are interested in participation in this optional program. Your local cup chair can assist you. If you have new students, be sure to ask if they have entered festival elsewhere. Perhaps he or she is a “transfer” with points already earned toward their cup. Points earned are “always valid” and we are happy to check into histories. We do need to know the previous teacher and location and year. As always, refer to your festivals bulletin for guidance on options for combining and alternating.

**Wednesday Musical of Wauchula**
*Dr. Sylvia Collins, President*

The Wednesday Musicale of Wauchula has had an interesting year so far. After many of us were affected by Hurricane Irma in September, we had a tough time getting everything back to normal. Some members suffered little damage while others had extensive damage to home and property. Through it all, the community helped one another to get back on their feet.

Our kick-off program which should have been in October finally was held November 11th. Since it was Veterans’ Day, we held a patriotic program at one of our local restaurants. After a delightful meal, we enjoyed many songs of patriotism including the National Anthem, God Bless America and This Land is Your Land. Several folks also spoke of their or a family member’s service to our country. We all left with a renewed pride in our United States.

December’s meeting was once again held at Rest Haven, an assisted living facility which is near and dear to our club’s heart. The program included several Christmas selections provided by Hardee Junior High band under the direction of club member Shayla Bryan, who is also a former scholarship winner. Also enjoyed by the residents was the Christmas story read from Luke and a stirring rendition of The Night before Christmas read by one of our members. The afternoon finished up with everyone enjoying singing their favorite Christmas carols. The residents were then treated to delicious cupcakes provided by the club.

February brought us to one of our favorite programs, Students in Music. We were treated to selections both vocal and instrumental during the program. David Radford (a scholarship winner) and Jason Thompson brought students from Hardee County High School Chorus and Band to entertain the club. We feel lucky to have quality music Education programs for our students in Hardee County.

Our March program was a great afternoon of Bluegrass Christian Music presented by the Gospel Jubilee. The group was put together to perform in their church. Their group has received much deserved recognition in our area. They have played at Cracker Country at the Florida State Fair, Pioneer Park Days and various churches in the area. The Wednesday Musicale was lucky to get them to perform for us. They had the audience clapping and singing along to many favorite tunes.

We will finish out the year with our April and May meetings. In April we will have our annual scholarship auditions. We are able to provide scholarships to several students each year to pursue their college education. In May, we will celebrate International Music with a program featuring music from around the world. We are looking forward to both of these programs.

We cordially invite anyone in the area to join and enjoy all of the programs.

The Lakeland Music Club, formally the Tuesday Music Club has been very active with many items of business and community service this past year.

We changed our name as suggested by National and it has been a challenge but we are adjusting to our new logo, stationary, business dealings.

The enrollment is steadily growing with each passing month. We changed our luncheons after the meeting to a fellowship brunch before each meeting. Our members prepare cookies, Danish, coffee, etc. But the best part is we get to visit and get to know each other better, welcome visitors and new members, and have a wonderful time of fellowship.

We are presently preparing for our annual scholarship auditions on April 22. We are looking forward to another wonderful time of listening to some of our best music students from our local public and private schools and colleges. This is always an exciting time. We will be offering $1000, $750 and $500 scholarships in both high school and university levels.

Our new officers will be installed in our May meeting. We are looking forward to a wonderful new year of music, fellowship and service to the community.

Music Club of Hollywood

Chai L. Chien, President

Want to be a Friend of a music club? The Music Club of Hollywood, (MCOH) has formed creative partnerships with other non-profit organizations. Our new friend this year is the Topeekeegee Yugnee Park, a local park where we invited local musicians for a "Jazz and Blues Music Festival" for a Sunday afternoon of jazz and blues. It was a showcase of our professional musicians involved with our club and over 300 people attended. This was our advertising for our club to join as well as finding volunteers.

Our student scholarship auditions will be held on Sunday, April 15th at the Anne Kolb Nature Center's Mangrove Hall and 18 students are scheduled to audition. We invited three (3) judges for this annual event which we raised $15,000.

More Sunday free community concerts at 2pm to end our season include: June 10th partnering with the Hollywood Historical Society with a presentation of a musical called "I Love Hollywood" at a local library where one of our members composed original songs to sing and dance about the town that we live in and love. On June 17th we will sponsor the South Florida Harp Society to use the venue of Anne Kolb Nature whereby, students from beginners to advanced will play duet, trio, quartet ensembles with South Florida harp teachers. Over nine (9) harps will grace the stage and the community is invited to experience this ethereal concert.

Coral Gables Music Club, Inc.

Luciann Niebler-Spare, President
lnieblerspare@outlook.com

Our club is still going strong, with our next program on March 20 where our musicale will be Miami’s Top Brass Quintet. This is following the two last programs, on Jazz. The one featured one of our previous scholarship students, who has his master’s from U.M. Frost School of Music, and the other was listed as a Contemporary Jazz Fusion Duo. Interesting variety.

But between these 2 musicales, on Feb. 14th we offered, “That’s Amore” a Valentine concert for the public on a Saturday evening, and our first concert of our series, MUSIC FOR ALL, with our partial grant from city of Coral Gables. So it has been very busy.

Now we are looking forward to our next concert, which will be on May 1 at 7 p.m., at Coral Gables Congregational Church, and will feature FIU’s “artist in residence”, Kemal Gekic, an amazing pianist, who has played all over the world. We welcome you to join us and the fee is $20.

I also need to mention that last week we were delighted and amazed to hear many of our scholarship students perform in recital for us and their families. It makes us wonder and thank God for all the talent that they have and that they apply themselves in their music.

And the Junior Music Club is likewise keeping very busy with a variety of monthly meetings under guidance of our excellent Club Counselors.

But slowly things are coming to an end in May as our next meeting will also have our new Board of Officers to be voted in and they will be installed at May meeting and luncheon.

However, the really last program will also be the last concert of our series and it is an Independence Day celebration for a “family day of Music, Art and Crafts”. There we will be joined by the Greater Miami Youth Symphony Orchestra in concert. A real finale!!

And we are very grateful for our hard-working board, our members, and the talented people, who thus enable us to enjoy beautiful music in many forms.

All entries were sent to state contest; one of the winners at the state level was our very own Joshua Widjaja of Sarasota. We had entries in the FFMC Composition contest and over 400 in the festival. In addition to these accomplishments, we also offered a summer camp scholarship. We are overjoyed about the accomplishments of our Junior club members, and we certainly look forward to their future successes!

Sarasota Music Club was very pleased to have sponsored a fine young tenor, Lucas Coura, for the Jeanie/Stephen competition in 2017. At that time he was declared the runner-up and we invited him to sing on one of our programs this past December. The members and guests were delighted with his performance which included a selection sung in the counter tenor range. We again sponsored Lucas in the 2018 Jeanie/Stephen auditions in January and he was declared the Stephen winner at that competition. We are hoping that he can come sing for our club again as he continues working toward obtaining his master’s degree at Stetson University in Deland.

We have had well attended, outstanding monthly programs this year with performances given by professional musicians in the area. Also, in keeping with our desire to aid young musicians in Sarasota and Manatee counties we are at this time gearing up for our scholarship auditions in collaboration with the Artist Series Concert organization. The auditions will be held on April 28 and we look forward to awarding $22,000 to four twelfth graders, two eleventh graders and two tenth graders. The highest award will be for $5,000. The four twelfth grade winners will perform at our season ending luncheon and concert on May 12th, always a well-attended and festive occasion.

FPM has had a wonderful year fulfilling its main goals:
- To honor outstanding musicians in our area
- To recognize and award superior student musicians
- To encourage the study of music
- To provide programs of interest to the community

The year began in October with our Guest Artist Recital featuring Dr. Randolph Lee and the trumpet sextet from the University of Florida. It was held at the Thomas Center in Gainesville on Sunday, Oct. 22, and was enjoyed by all! In November FPM sponsored the Sonata/Sonatina Piano Festival on Saturday, Nov. 18. 115 young pianists from 16 studios participated. The winners in each age group performed the next day, Sunday, November 19, at the Thomas Center.

January 19-20, 2018 the Jeanie/Stephen auditions were held at the Stephen Foster Folk Culture Center State Park in White Springs, Fla. The event began with the Golden Slipper Gala Dinner at the Woman’s Club in Lake City, Florida. The evening included dinner, a silent auction, musical entertainment, and the introduction of the Jeanie/Stephen candidates for 2018. At the end of January FPM held the annual Musical Marathon fundraiser at the First United Methodist Church in downtown Gainesville. Performing students and adults raised over $900 dollars! This money is used for recitals and FPM monetary awards.

On April 22 we will have our Annual Meeting and Awards Recital. The winners of the Sarah Baird Fouse Wind Award, the Dorothy Reaves String Award and Betsy Schnell Youth Award will perform. The Musician of the Year award will be presented to Professor Mitchell Estrin, clarinet professor at the University of Florida.
